We speak of "choosing," of "making" friends. What we can "choose" and "make" is not the friend, but opportunity for contact. When the contact happens, something higher than our will chooses for us.

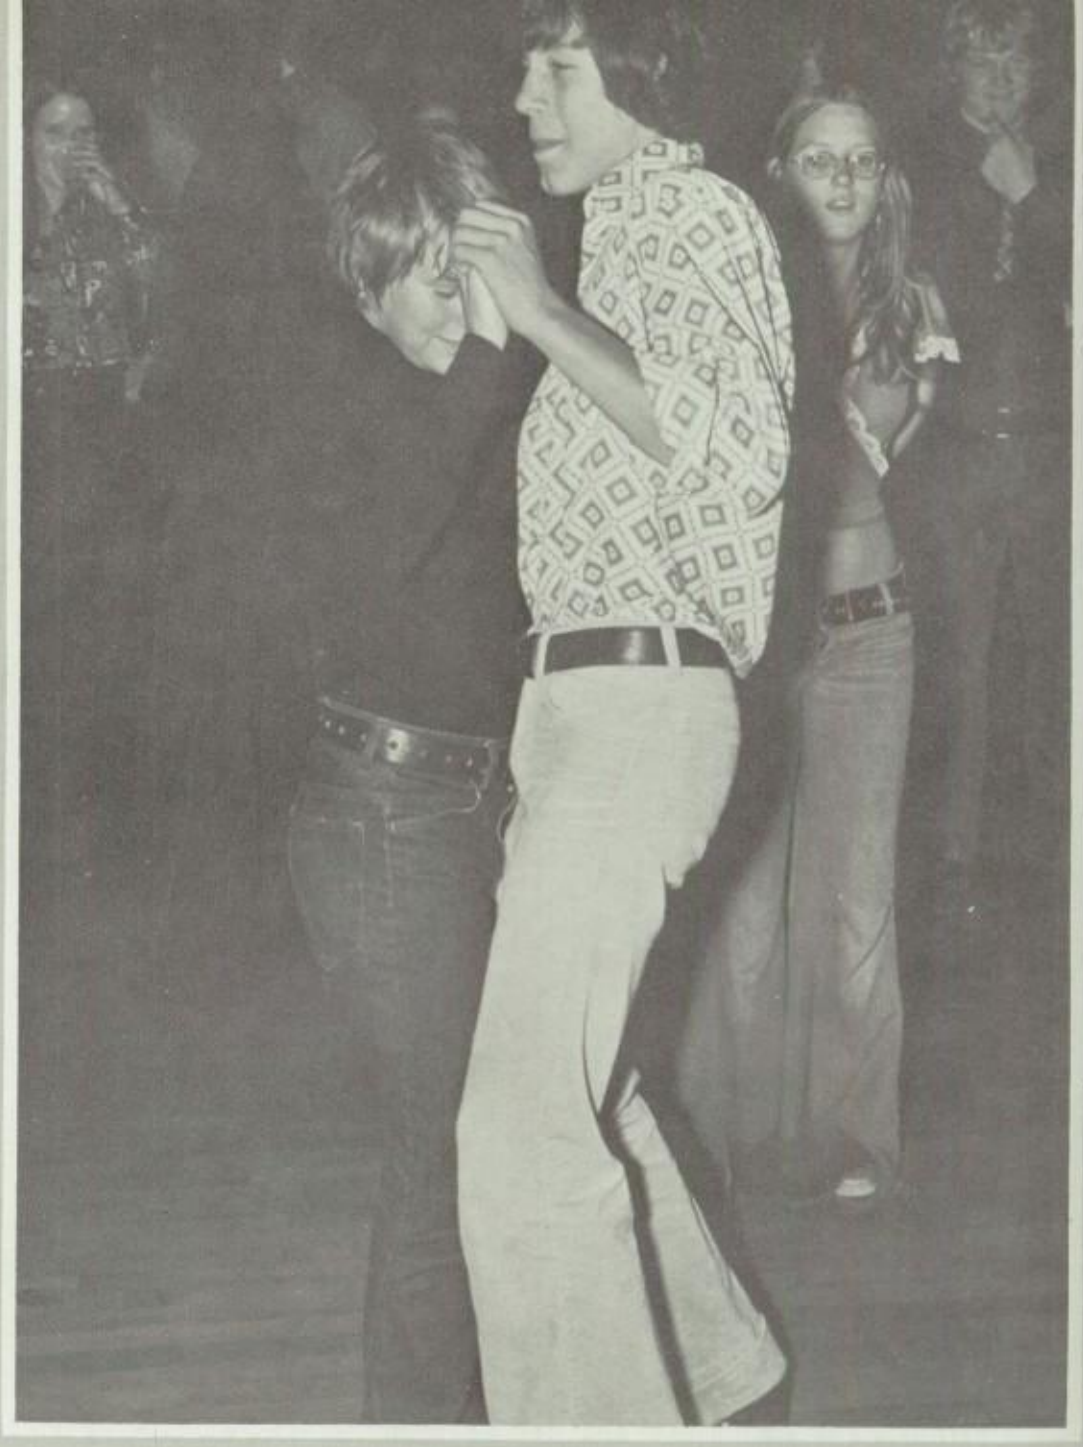
What is Friendship? It is many things . . . It is feeling completely natural with another, shedding all pretense and shame, just being yourself. It is sharing with another both big and little things, joy and sorrow, laughter and tears.

It is counting on another to understand your moods, to put up with your failings, to be there when you need them most, with a word of encouragement a smile, a look.

How do I know what friendship is? I know because your my friend and you are all of these things.

— Unknown



There must be something in friendship to distinguish it from a companion, a schoolfellow, or a sweetheart. Friendship may look in at any one of these doors, but it stays not anywhere till it comes to be the best thing in the world.

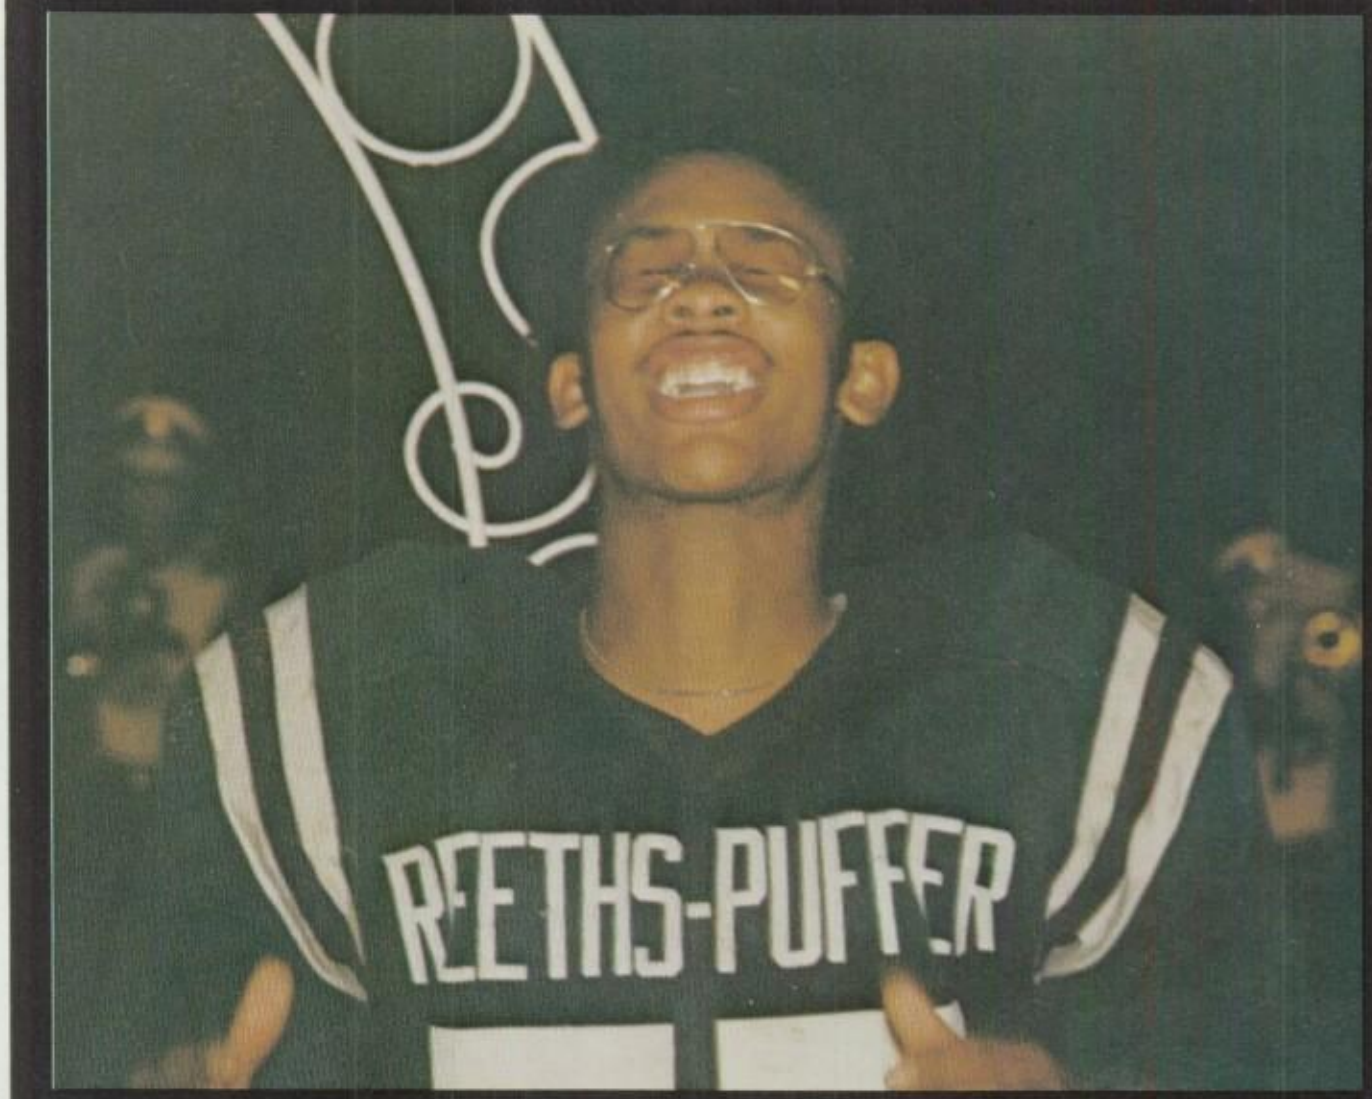
Fresh up



Homecoming candidates are: Rosemary Beckman, Steve Babcock, Jan Datres, Bryian Bobo, Kerri LeRoux, Dave LeBeau, Cindy Lough, Bruce Olsen, Nancy Nolan and Jim Stewart. Denny Kieft and Linda Lear dance slowly to the music supplied by the band "Copperhead". Cheerleaders help cheer the team onto a 33-0 victory against Spring Lake.

'73 Homecoming Festivities Bring About Changes

September 28 marked the date of the Homecoming festivities. Student Council voted on and approved the building of one float because of the lack of time and money.

Libby Cutler presided as Mistress of Ceremonies for the homecoming assembly.

Mr. Jack Cottrell served as M.C. during Homecoming with background music presented by the band. Members of the court were escorted around the football field atop of Corvettes supplied by the Muskegon Vettes Club.

Cheers echoed from the crowd as Bryian Bobo and Nancy Nolan were announced King and Queen. Jan Datres and Steve Babcock were first runners-up.

Representing the Sophomore and Junior classes are Teri Orlando, Terry Jensen, Cindy Blamer and Donn Smith. Disbelief and amazement is shown on the face of Bryian Bobo as he is announced Homecoming King.

Mark Horness lends his musical talent to the band. 1972 Queen Kris Bolthouse passes her title to the new Queen, Nancy Nolan. Elroy Hilliard (40) receives an escort down field by Dave LeBeau (80) and Darnell Flourney (32). Lack of time and money results in the making of one float.

Ms. Moore Earns Praise

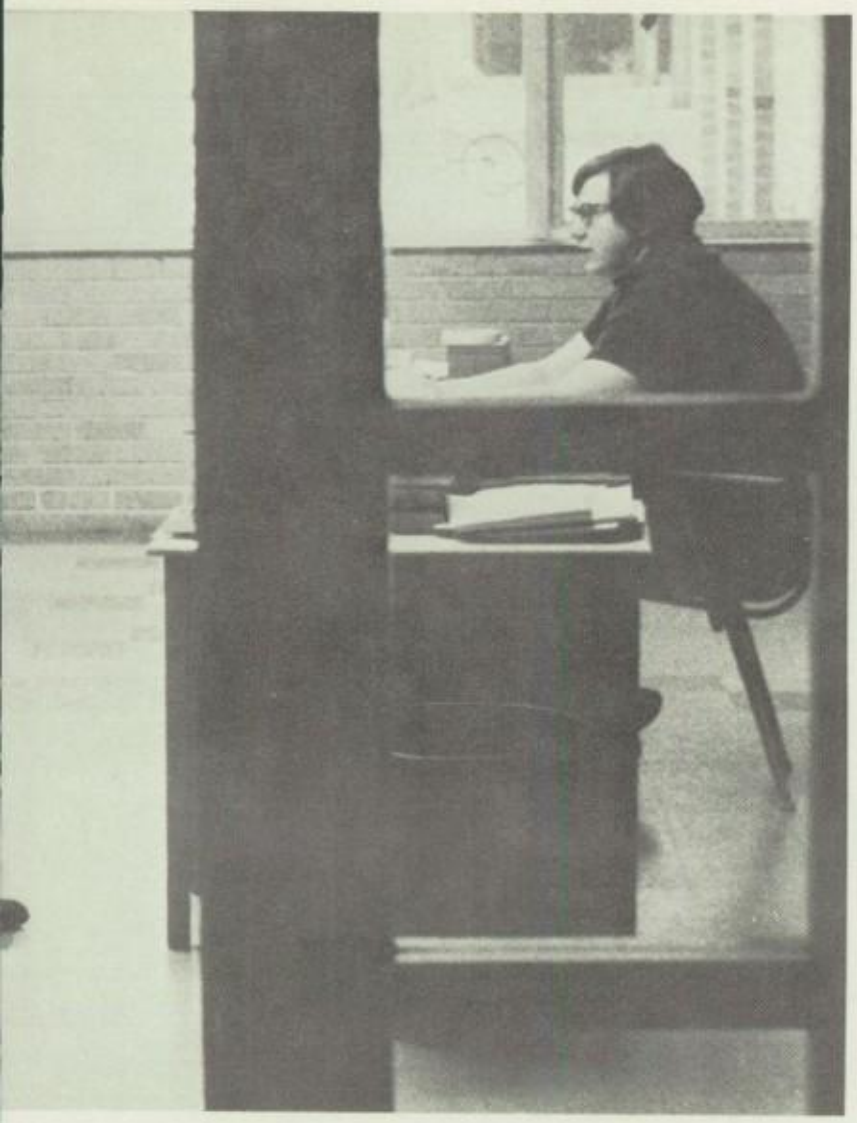
Many factors are included in the interesting personality of Ms. Barbara Moore. Her willingness to care has many times helped students make it through her Junior English Class and accelerated Senior English Class. She emphasizes good writing techniques and is always on hand to help a student with a problem, even when she is on "potty patrol" or punching lunch tickets.

Her dislike toward every Sophomore Class is notorious throughout Reeths-Puffer.

Throughout her twelve years at R-P she has directed several plays and variety shows. She also acted as Senior Class Advisor.

Words cannot express our true feelings for this lady, so with much pleasure we dedicate the '74 Rocket to Barbara Moore.

4



1) Showing her intellectual ability, Ms. Moore greatly emphasizes her reading.

3

4) A shared relationship between the students and herself creates a friendly atmosphere in her classes. 5) Ms. Barbara Moore makes her classes interesting by sharing with her students adventures from her personal life.

R-P Students Show Their Spirit

September marked not only the beginning of a new school year but also the start of pep assemblies. Climaxing each assembly is class competition, the prize being the coveted Spirit Stick. To capture this coveted prize, the Seniors, Juniors and Sophomores alike fought for creating the most enthusiasm throughout the assembly.

Spirit Week ran from February 27 through March 6. Chairman Nancy Nolan and other individuals designated certain days for unusual dressing and competition to raise money for the Student Council. Some of the activities were Blue Jean Day, Happy Day, Clash Day and Teacher Appreciation Day. Competitive activities as Rocket Spot, Sign Competition, King and Queen of Spirit and Penny Princess packed the week with school spirit, ending with a pep assembly involving class skits.

Seniors and Sophomores were found to be tied after the final points were tallied thus having two classes determined as winners of Spirit Week.

Variation in Three One Acts

Traditionally the Spring Play has been a full length three-act production. The string was broken as the Seniors presented "An Evening of One-Acts".

Directed by Gwen W. Nelson, the first one-act, "Talk To Me Like The Rain and Let Me Listen" was entered in competition with many schools throughout the state and placed fifth.

The second play "Adaptation", also directed by Miss Nelson, was unique in that four people played the roles of as many as 12 different characters.

The third one-act, "When Shakespeare's Ladies Meet" was directed by student Jeff Klapp. This play was a lighthearted comedy in which six of Shakespeare's ladies got together to give Juliet advice on men.

Opening on April 25 and playing through the 27th, "An Evening of One-Acts" provided a variety of entertainment.

This years theme was "Out in the Country" and was displayed through colorful flowers, twinkling candles and a sparkling fountain. Personalized birds made from ribbon and memory books added to the enjoyment.

The Vic Byrd quartet played brilliantly with every note as bright as the stars in the eyes of the couples as they danced.

The atmosphere was captured by pictures taken outside of MC C's Collegiate Hall where the prom was held.

The hall was beautifully decorated by Diane Hutchins and Mary Arnoldi and refreshments were handled by Kathy Rice and Cindy Blamer. Mike Mesynski and Margo Kirchenbauer took care of tickets and publicity, while Brenda Smith and Libby Cutler sent Teacher's invitations.

Student Council Succeeds Money-Wise

The Student Council serves as the voice of the students at R-P. Representatives elected from home rooms attended Student Council meetings and expressed their views on such subjects as Homecoming, Spirit Week and Exchange Day. They attempted to up date the constitution but couldn't settle on a suitable form.

For Exchange Day some members of the Council were transported to a number of area schools participating in the exchange. Other R-P students acted as guides for those who attended school here.

The Council sponsored three raffles held at home basketball games and the game ball was given to the winner. Other money making projects included selling green derbys for Spirit Week, and sponsoring two dances and two concessions.

Students Combine School and Work

One hundred and thirty high school seniors chose to test their skills through Co-op. To most of the students, their classroom away from school proved profitable in experience and finances. Although to some, the four hour day was an easy escape from the usual approach of everyday classes. These four classes were scheduled to correspond with their jobs.

At weekly meetings Muskegon High School cordinators helped clear up problems, check attendance and judge the quality of the Co-op students work. Offices, gas stations, factories, stores, and restaurants were several of the different vocations the Co-op students encountered.

Under the supervision of Mr. Robert Heaton and co-editors in chief, Marla Morrison and Nancy Nolan, the committee of newspaper people made several successful attempts to satisfy the varied interests of their readers, aside from routine news, puzzles, editorials, human interest stories and public opinion polls.

The staff purchased a camera this year and most of the issues contained a photograph or two.

A new club at R-P is the Chess Club. This club is headed by Mr. Zulauf, Mr. Justus and Miss Taylor. Monday nights after school the Chess Club met with other schools for competition and fun. The clubs help the students to expand their various interests and to meet students who share those interests.

Another new group this year was added called Campus Life. It was formed for Christian kids interested in learning more about God's Will. They sponsered such events as a Wild Goose Chase, "Friends" assembly and concert, "Thief in the Night" movie, and a Burger Bash.

Weight Lifting Added to Activities

Spirit posters that lined the halls and the selling of Rocket bumper stickers, candy bars and pins were only an example of what can happen when thirty-three students get together and form a Pep Club.

Members of the club also put on skits at pep assemblies, sold programs at football games and organized Dad's Night when our Rockets beat the Fruitport Trojans 10-0.

Pep Club members met each Tuesday after school under the direction of Mrs. Janet Hartman.

As an incentive to work on the weight lifting machine a new team was formed this year. The Weight Lifting Team was comprised mainly of athletes from Team Phys. Ed. class, but anyone interested could join the team.

Because of a late start, the team only competed in a couple meets, but there is hope to increase the clubs involvement next year.

Clubs Add Culture and Variety

As the new advisor of the Spanish Club, Miss Doris Zhart enabled the members to learn more about Spanish culture by helping them organize various activities.

Caroling at Brook Haven, University Park and Debor Nursing Home helped liven the Christmas spirits of many people. The club also went to Park Theater and saw some Spanish movies. In April they traveled to Central Michigan University for the Foreign Language Day and also visited Holland for a taste of Spanish food.

A newly organized group at Reeths-Puffer this year is the Book Club advised by Miss Va-Deene Titus. The main purpose of the club is to analyze various books and suggest especially interesting ones to other members.

To bring a little variety to the club, they held a meeting at Doo Drop Inn where they discussed books over dinner.

SBU Promotes Black History

To perpetuate racial harmony in the school and community, and to also enlighten the students of the accomplishments that the Black Man has made towards our American society, this is the reason for the Students for Better Understanding. Headed by Mr. Al Nichols and Mr. Verne Sutherland, the SBU meet about once a month for business and pleasure alike.

With the SBU in the active background, Black History Week was established. Songs, dances, poetry, bulletin boards, show cases and skits all added to the assembly. Mrs. Arlene Thayer and Fred Headen were awarded with a plaque at the end of the assembly suggesting that they did the most to improve racial harmony at Reeths-Puffer.

Skill Marks Tie for Second

Hard work paid off for the Girls Varsity Basketball Team who completed a successful season of nine wins and three losses. Coach Arlene Thayer, Assistant Coach Miss Donnella Powelson and Manager Debbie Haverkate led the team to a tie with Whitehall for second place in the Seaway Conference.

All Conference Emily Hollis and Sherry Grimard were top scorers for the season, while Margo Sodini and Nina Nielson were awarded with Honorable Mention.

R-P Adds New Girls' Sport

A recent addition to the various activities at R-P was Girl's J.V. Basketball. The J.V. Team was made up entirely of sophomore girls. The squad was coached by Miss Kathy Taylor who was a new member of the teaching staff.

For many of the girls this was the first time they had ever played as a team, so the season of one win and six losses was not a total disappointment. The fact that the girls learned the skills, techniques and team work of basketball was an important factor of the season.

5) Rhonda Policha passes the ball over the outstretched arms of a Whitehall player as Bertha Moore comes in to assist.

Golfer's Earn R-P's First State Title

Talent and determination portray our great golf team. Never before in R-P's history has a team been awarded the State Championship. They also tied for first place with Muskegon Catholic Central in Regional Competition and won the Seaway Conference Title.

Jeff Gates tied the Rocket's 18 hole course record by twice shooting a 73. He average 37.5 per nine holes for the season.

All Conference Jon Gates ended with an average of 38.9 and Fred Nyquist, our exchange student from Sweden, averaged a 40.3.

Juniors Brad Hulander with an average of 43.6 and Tom Kruzel's 44.6 average gives our future golf team real promise. Coach Thayer brought the golfers to a 13-3 win-loss record.

Harriers Gain Self-satisfaction

Three miles of trails for the Cross Country Harriers means continuous running, a lot of muscle, and determination to push them through that last grueling mile.

Cross Country is a very unseen sport in R-P's extra-curricular activities. There aren't crowded stands full of cheering fans, or pep assemblies conducted in their honor. All the Cross Country Harriers have is the self-satisfaction and pride in knowing that 100% was given.

The team placed fifth in the Ludington Invitational and sixth in the Orchard View Invitational.

Consistency in joining the Cross Country team year after year, enabled Scott Church, Daryl White, and Fred Schmitt to become outstanding runners for the Harriers.

Girls Get More Involved

Many girls learned that being an athlete is more work than they thought, as the Girl's Track Team finished the year with a 3-3 record

Coached by Mrs. Janet Hartman, the girls began in March and practiced every night after school.

Girl's Track is basically the same as Guy's Track except for a few minor changes in the events.

To start off right the Track Team received new uniforms, sweat suits and shoes.

One outstanding member of the team was shot putter Deb Olsen who placed first in the Conference and second in Regionals. Deb went to State competition to represent R-P. Another girl who contributed greatly was Norma Grimard. She excelled in many events and proved to be a great asset to the team.

Board Face Problems

This year was a busy one for the members of the School Board as they tried to solve the problems with which they were confronted. They discussed the possibilities of expanding building facilities of the Senior High as the number of students increased. Much of their time at meetings was taken up with deciding how to utilize captial outlay.

Another difficult decision was how many mills to ask the voters for in June. After much figuring they decided to ask for a renewal of sixteen mills for five years.

As the end of the year drew near, the board began the negotiations process for a new teachers' master contract.

Teaching Is a Full Time Job

A teacher's day does not end at 3:03 when the bell rings. Stacks of uncorrected papers and unwritten tests often find their way to the teacher's home. Attempting to correct 30 term papers and watch a television show that you told your students to watch is one example of a trying moment in the teaching profession. Trying to explain a tedious Algebra problem to a room full of half sleeping students is a difficult job.

Chaperoning dances, selling football tickets and attending teacher meetings are among the many events on their agenda.

Although teaching can sometimes be tough, the rewarding moments such as seeing a student go from a D to an A, having old students come back to visit and knowing that your students think of you as a friend equal out some of the trying times.

Seniors Complete Final Year

A confusion of feelings overwhelms a person when an entire change of lifestyle is forced upon them. The seniors of Reeths-Puffer have experienced this confusion. Eagerness, fright, happiness, sadness . . . all at once.

Within the confines of the Class of '74, one may find diverse and unyielding talents, great humor, immense intellect, and a sea of deepness and honesty. They've displayed their artistic talent by placing first in sign competition during Spirit Week all three years they've attended high school.

Despite the great year the seniors have had, it's been spotted with numerous financial problems.

The seniors are truly a special class of people whose decisions and ideas will soon influence the decisions and ideas of others.

Advising the Seniors are Mr. Verne Sutherland and Mr. Roger Moore. Class officers are: President Jim Stewart, Vice-President Bryian Bobo, Secretary Rosemary Beckman and Treasurer Cindy Lough.

Juniors Foresee Seniority Rights

Coming back to school after a leisure summer was meaningful for the Class of '75. They were no longer the youngest class at Reeths-Puffer. The closer step to seniority involved new teachers, different courses and more responsibility.

The Juniors worked four concessions, sponsored two dances and combined hard work and time to produce the Junior play, "Don't Drink the Water," a comedy by Woody Allen.

As the end of the year drew near, the Juniors honored the departing Seniors at the Jr.-Sr. Prom. A country setting was portrayed with a theme of "Out in the Country." Baccalaureate and graduation brought more activities to participate in, making the final months complete.

The Junior Class ended the year awaiting their final steps towards seniority when they would at last become "the graduating class."

Sophomores Advance to R-P

Three hundred sixty Sophomores migrated into R-P with fear and amazement crowding their minds. New environment and different teachers made things seem strange.

Timidity soon faded. Sophomores plunged into school activities. Sponsoring two dances and working concessions at various athletic games filled the year with events.

The first hassling days, and a feeling of belonging ended the Sophomores' memorable year.

Sophomore class officers and advisors are: Mr. Phil Rathbun, Vice President Chip David, Treasurer Ted Edsall, President Teri Orlando, Secretary Micki Symon and Assistant Advisor Mrs. Linda Galland.

If you think SEALED POWER makes
PISTON RINGS
. . . you're partly right.

Sure, we make piston rings — millions every week. But that is only part of our expanding business. Sealed Power manufactures or distributes many other engine parts — pistons — cylinder sleeves, miscellaneous castings — valves — valve springs — valve guides — water pumps — tappets — bearings — die cast components — powdered metal items — auto air conditioning parts — to mention a few. With headquarters in Muskegon, plants from Canada to Mexico, and worldwide distribution, Sealed Power's name is well recognized.

To meet the challenge of modern industry, Sealed Power needs able employees in all phases of our operation. Whether you plan to continue your education or seek immediate employment, may we offer —

May the blessing of Life
  await you . . .
may the sun of glory
  shine around you
and may the gates of
  plenty, honor and happiness
  be ever open to you.
May no sorrow distress your
  days . . .
may no grief distrub your nights
may the pillow of peace
  kiss your cheek
and the pleasures of imagination
  attend your dreams

Charles Dickens

Within us all, beneath the layers
of inhibitors that
come with growing up . . .
. . . shielding our feelings
against hurt . . .
. . . a love for fellow man
does exist . . .
. . . drawing others in their
need to us . . .
. . . pulling us to others in
our wish for oneness.
